A: If you just need to get the timestamp, there's always date; \$date -j %d-%m-%Y %T %Z %G%g The House of Greysayes The House of Greysayes is an outlaw band from the American Old West. The band was created by James Butler, an outlaw who was the chief of the Sand Creek outlaw band. He and his brother John Butler controlled all the outlaw gangs in the San Francisco area. Their chief rival was the notorious Bill Doolin. The brothers were killed at the Vigilantes in 1857. History In his book, Ned Buntline gave an account of John and James Butler, who were the brothers of the chief of the Sand Creek outlaw band.
